

# How To Use This Map

Each line of the Melbourne light and heavy rail system is identified by its own letter or number and colour or group of colours. The number or letter is shown at the beginning and end of each line, for example:

Stations on each line are shown by a ● in the colour line of that route. Since certain trains may stop at some stations during special hours only, consult the route guides at right for details.

for example:

**U Upfield.** All times. Clockwise through City Loop in AM Peak, weekends and public holidays, anticlockwise in PM Peak.
