Ticketing

myki is the public transport ticket used in Melbourne and parts of Victoria.

It is a reusable plastic card that you can 'top up' like a credit or debit card.

You can purchase or top up your myki at:

- machines at most stations
- offices at staffed stations 7-11
- Eleven and some shops
- a bus driver (\$20 maximum)
- online at ptv.vic.gov.au
- phone on 1800 800 007

To use your myki, simply touch your card on the yellow readers on station platforms or on board trams and buses.

You must touch your card on the readers as you get on or off at a train station or bus for each trip. You do not need to touch off your myki as you exit a tram, unless your trip is entirely within Zone 2.
